

Paddle into a forest.

Help Lia find the place in her grandfather’s puzzling photograph. Compare a map, follow the changing water, and create a new page for a much-loved book.

Beyond the mystery: an illustrated Amazon companion, with fish that carry seeds, homes beside changing water and rivers that connect people.

THE AMAZON

A fictional family’s expedition in a researched contemporary setting. Book, map and field cards work together. Intended for ages 8–12; shared reading is welcome.
