One small discovery

Choose one nearby view. A window, a garden or a familiar path works.
Look with a grown-up. Leave what you find in place and watch wildlife from a distance.

Date: _____ Time: _____ Weather: _____

My view: _____

Draw one thing you can see. Label a detail.

Three details I noticed

_____

_____

_____

_____

A question to come back to

_____

_____

_____

_____

I saw _____

I think _____

Back to the same place

Use your first sheet as a reminder. Visit the same view another day.
Compare what you can observe. You do not have to know every name.

First visit: _____ Today: _____

Weather today: _____

My first view

What I can see today

One thing that stayed the same

One thing that changed

My next question - and where I could look for an answer
